Chorus: Death or glory becomes just another story
FF C G C
Death or glory becomes just another story

Now [C] every gimmick-hungry boy [G] digging gold from rock-n-roll
[F] Grabs the mike to tell us he'll [C] die before he's [G] sold
[C] But I believe in this and it's been [G] tested by research
[F] He who fucks nuns will [C] later join the [G] church

Chorus

G C
See you in the gunsights you say hello
I say ok don't wanna play the show
all you are thinking 'bout is death or glory now
playing the losers game, surely it's better now

Chorus

In [C] every dingy basement on [G] every dingy street
[F] Every dragging handclap over [C] every dragging [G] beat
It's [C] just the beat of time, the [G] beat that must go on
[F] If you've been trying for years, [C] we already heard your [G] song

Chorus

F C F C
BRIDGE: We're gonna march a long way, we're gonna travel a long time
We're gonna travel over mountains, we're gonna travel over seas
We're gonna fight you brother, we're gonna fight 'til you lose
We're gonna raise trouble, we're gonna raise hell
We're gonna fight you brother, we're gonna raise hell

Chorus

Repeat verse & chorus riffs, end on C
